

Acknowledgement of receipt of Internet / Voice Banking Disclosures

I acknowledge that I have received the disclosures for Internet/Voice Banking. I have also received my account, Reg E, and Privacy disclosure. I have read or will read all disclosures and agreements to include any operating instructions and recommendations prior to accessing the Internet or Voice systems. I will secure my access security information, to include user id and password. I also acknowledge certain risks that are involved in using electronic equipment to access my accounts. I acknowledge that I will secure any wireless networks or other computer equipment used to access my accounts. The bank is not responsible for any unauthorized disclosure of my account information due to breach of my security access information, lack of properly securing networks, or other computer equipment or operating systems, using public access computers, or failing to log off of the computer properly.
